Consultation and Planting Design Fee: \$115 per hour, including travel time to & from nursery. Our consultant will call to ask more detailed questions and arrange for a visit. *Please note, any “design” work will simply be a casual sketch made on site during the visit. Prior to our visit, please research the location of your septic system, and ensure your yard is cleaned of any animal (dog) feces.

___ What is your primary goal/need?

___ Do you have a timeframe in mind?

Please check any of the following that you are interested in:

___ Advice about your current garden plants

___ Training on pruning/maintenance

___ Adding new plants/trees to your garden

(more on back)

___ Will you need a sketch?

___ How many areas on your property do you plan to include? Estimated size of garden?

___ Do you have existing garden layout that you want modified?

We would love to supply your plants! We also offer a planting service for plants purchased at our nursery. Please ask consultant for more details.
